Thank you for your interest in the Westfield Farmers' Market. The Market will run from 12:00 noon to 6:00 pm every Thursday, rain or shine, from June 1 through October 5, 2017.

Please read the rules and regulations for the Westfield Farmers' Market below before completing and signing the application.

We try our best to maintain diversity at our market and welcome a variety of music. Music selections should be made with a general family audience in mind, for people of all ages.

The Market Committee reserves the right to prohibit sale of certain products and gives the Market Manager the right to remove any product that has not been approved. You are welcome to submit a request for approval to sell CDs, photos and other items from your performances. After your application has been approved, please submit your request in writing to the Committee describing the merchandise you wish to offer. You may also distribute flyers for future events where you are playing.

Any publicity you release regarding your playing at the Market must state, "Music at the Market is funded by grants from the Westfield and Massachusetts Cultural Councils." Copies of your publicity must be submitted to the Market Committee.

The Market Committee is not responsible for damage to instruments or equipment due to weather or accidents.

One dual-socket electrical outlet and a 10' x 13' tent are provided, along with a PA system and two microphones.

Tip vessels are allowed, provided they do not interfere with the flow of traffic.

2-hour sessions are available: noon - 1:45 pm, 2:00 - 3:45 pm, and 4:00 - 6:00 pm.

We request you will arrive before your start time to be set up and ready to perform on time, and continue to the end of the session. Fifteen (15) minutes will be allowed for transition between groups, and 10 minutes between sets each hour.

Musicians are expected to notify the Market one week in advance if they are unable to perform as scheduled, or as early as possible if emergency situations arise.

The Market Committee reserves the right to make adjustments to the rules according to extenuating circumstances.

Musicians must re-apply each year to express continued interest in participating in the Market. If you applied last year, you need only to provide information that has changed since last year.
